MEMORANDUM FOR: Michael K. Deaver, Assistant to the
President and Deputy Chief of Staff

SUBJECT : CIA Briefing Support for the
Williamsburg Summit

1. Some months ago, we were asked by State, Treasury, and NSC to provide overnight and spot intelligence support to the US delegation at Williamsburg, a support operation we have performed at the last several Summits. In response, we fielded a two-man team to Williamsburg backed by a substantial effort here at Langley and abroad. The field team each morning briefed, among others, Don Regan, Allen Wallis, and senior members of the NSC staff. The team also was available day and night to provide intelligence or communications support.

2. A large part of the team members' effectiveness was due to their excellent access to the key players, in turn aided greatly by their having the appropriate SUMMIT STAFF badges. I just want to thank you and Mike McManus for making the necessary arrangements that permitted our people to do their jobs effectively. We'll be ready to help again next year.
